

SMARTLAB COCKPIT V1.0

Overview

SmartLab Cockpit V1.0 Overview

Motivation

MOTIVATION

Enable stakeholders to take realistic decisions on utilization and investments

BENIFITS

1. Decisions of investment are directly linked to utilization data
2. Stakeholders have a transparent view of infrastructure investments & utilization

OVERVIEW

1. Dashboard to visualize reports that provide quick view of action items
2. Visualize each investment and its utilization
3. Window for components that summarize action plan for key stakeholders
